## ABOUT US

Vision Maker Media (VMM) is the premier source of public media by and about Native Americans since 1976. Our mission is empowering and engaging Native people to share stories. We envision a world changed and healed by understanding Native stories and the public conversations they generate. We work with VMM funded producers to develop, produce and distribute programs for all public media. VMM supports training to increase the number of Native Americans and Alaska Natives producing public broadcasting programs. A key strategy for this work is in partnerships with Tribal nations and Native organizations and communities.
